2. Customer Authorization

TO: All Local Exchange Companies (LECs), Long Distance Companies (IXCs), Resellers, Rebillers, and Regional Bell Operating Companies (RBOCs). In accordance with this executed agreement, I/We ("Customer") do hereby authorize ComTech21 DBA Prescient Worldwide to act as our communications agent to place service orders, change network carriers, obtain telephone account information/numbers, PIC codes, and any other customer information needed to assign ComTech21 agency to vendors and authorizing them to implement contracted services for local, data, IP, interstate, intrastate, intralata and/or international long distance services ("Services").

Term plans automatically renew for successive 12-month periods. Customer understands that it may take (30) thirty to (60) sixty days for services to be disconnected. Therefore, in the event customer desires to cancel any service subsequent to the initial term the Customer shall provide (60) sixty days advance notice of its intent to cancel service.

Customer provides authorization to perform credit checks and investigate customer's bank where permitted by law. Service availability is subject to customer meeting credit criteria. I/We understand that ComTech21 reserves the right to terminate my/our services with ComTech21 if I/We experience an adverse credit performance.

Customer shall defend, indemnify and hold harmless ComTech21, its employees, and agents from any liability resulting from claim, action or suit resulting from the provision and deliver of the Services including any pre-existing contractual obligations between Customer and a third-party.

The customer understands that telecommunications and/or network access services may be temporarily unavailable for scheduled or unscheduled maintenance and for other reasons within and outside of the direct control of ComTech21. Customer understands that they are responsible for any additional charges for extended inside wiring.
